February 2019

To All South Clareview Community League Members,

Wow! January has flown by and it's already February 2019! 2018 ended with our New Year's Eve party! It was a modest turn out but there was lots of dancing and good times. Also, the cold December weather allowed us to get the two outdoor rinks ready just in time for the Christmas break. Skating times are listed on the website: www.southclareview.ca. This year, Friday nights are free skate times for all.

Follow us on Facebook @southclareview page and on our website for upcoming events, league news and registration times so be sure to check back frequently to stay up to date on the latest happenings in South Clareview. Outdoor soccer and South Clareview Playschool registration will both be opening up during February so stay tuned. One of the big projects that have been consuming the last three months of the Boards time is updating and making changes to our governance structure with new Bylaws and updated Policies and Procedures. To help finalize these changes we have called a Special Resolution Meeting on February 6th for our community members to attend and ratify. We will be serving light snack and beverages.

You have a chance as SCCL members to do something that hasn't been done since the League was founded in 1978.

Please come and see how your league will be governed.

We will have Colin Johnson, Governance Expert with the Edmonton Federation of Community League in attendance for questions.

Our outdoor rinks are Open!

When the rink is open, please remember to **bring your skate tags** and your **current membership card**, or you can buy a membership at the rink too.

Special Resolution Meeting 6th February, 2019

We are updating and strengthening our league bylaws. Therefore notice is hereby given to all members of the South Clareview Community League (SCCL) that the league has called a special resolution meeting of members held on **February 6, 2019 at 7:00 pm at the hall, 3250-132 A Avenue, Edmonton Alberta**, for the purpose of transacting the following business of adopting new bylaws.

Light snacks will be served and attendees are encouraged to bring their children, who can enjoy the outdoor rink during the meeting. Please note children under 6 must be supervised by someone 14 or over.
